Express Your Love

More Than Giving

From the many letters and stories the Pension Boards has received from those touched by gifts from The Christmas Fund, we share these words:

“Giving is an act of loving kindness. It’s about caring for pastors and church workers who have served faithfully. Unlike many jobs where retirement means you’re on your own, the church community steps in to say, ‘We’ve got your back.’ Supporting The Christmas Fund reflects our responsibility to care for the wider church community.”

- Rev. William Falla, retired pastor
Allentown, Pennsylvania

Last year, thanks to your generosity, The Christmas Fund provided almost \$1.7 million in emergency grants and thank-you checks to retired clergy and their families.

Every gift came from people like you. This year, consider giving what you can to continue supporting those who have devoted their lives to serving others.

This Christmas, celebrate the blessings in your life by making a gift to our ministers, church workers, and their families.
