Express Your Love

Everyone Deserves Love

From the many letters and stories the Pension Boards has received from those touched by The Christmas Fund, we share these words:

"Help is provided because it's recognized that help is needed. It's hard for people who spend their life giving and serving to turn around and ask to be served, but there's no shame in asking for help when you need it."

- Thomas Wells
Son of two UCC ministers

Last year, thanks to your generosity, The Christmas Fund provided almost \$1.7 million in emergency grants and thank-you checks to retired clergy and their families.

Every gift came from people like you. This year, consider giving what you can to continue supporting those who have devoted their lives to serving others.

This Christmas, celebrate the blessings in your life by making a gift to our ministers, church workers, and their families.
